

Margaritaville® Bahamas™ Frozen Concoction Maker®

MBDM0700

Whip up restaurant quality frozen drinks with the Margaritaville® Bahamas Frozen Concoction Maker. With the no brainer mixing tool you'll be able to mix frozen drinks and release right into the jar. Featuring the Margaritaville® maritime accents and detailing, front panel controls and large handle you'll feel like you stepped out of your kitchen and onto the beach.

- Automatic Shave-N-Blend™ cycle creates 36 ounces of frozen drink in one easy step
- Manual "shave only" and "blend only" control to customize the consistency of the frozen drink
- 400 watts of combined shaving and blending power to create the perfect frozen drink
- Shatterproof, high quality plastic blending jar
