The best margaritas come from **Margaritaville® Frozen Concoction Makers!** These unique machines take the work out of creating the perfect frozen creations.

Whether you're planning a casual get-together or a large event, our Margaritaville Frozen Concoction Makers are always the life of the party. Unlike other machines that crush ice, the Margaritaville line of Frozen Concoction Makers shave ice to ensure smooth, delicious results. These blenders make the perfect combination of shaved ice and your favorite ingredients - blended to the perfect consistency. With 4 sizes to choose from, there's a Margaritaville Frozen Concoction Maker to fit every venue and occasion.
